

# SPONSORSHIP OPPORTUNITIES

**MOUNTAIN BIKE TEAM**

The Bountiful Mountain Bike team is an exciting youth program created to enable junior high and high school students through riding bikes. We provide a positive learning environment and athletic experience for teens of all riding levels. Through our practice rides and races, the athletes develop a love and respect for the outdoors and nature while fostering the responsible use of trails and wilderness areas. Last season our team included 120 athletes (male and female) and over 100 parent volunteers - including our volunteer coaches.

The Bountiful Mountain Bike team is a non-profit 501(c)3 organization. Any donation to the team can be tax deductible. The team is 100% run by volunteers. We rely on donations keep the team running smoothly. We hope you will consider becoming a sponsor.

## WE NEED YOUR SUPPORT:

This year we are raising money for a new team trailer. As the number of our athletes has continually increased, our current trailer no longer accommodates our needs. The trailer is used to haul team tents, tables, chairs, bike stands, tools, grills, and other supplies to and from every race. Your donation will also help with team necessities such as insurance, food for races, GPS locators, team communication apps, radios, chain lubes, and emergency parts to keep the bicycles rolling (to name a few).

## OUR TEAM WOULD LOVE TO RECOGNIZE YOU FOR YOUR SUPPORT

In addition to the outlined sponsorship tiers below, we are open to discussing other donation ideas that would prove to be mutually beneficial. We are looking for team apparel and race day meal sponsors as well and are happy to get creative with you and your business. Thank you for your consideration. With your help, our team will have another successful year!
